

HOW TO RIDE THE SHUTTLE

Wave or raise your hand when you see your shuttle arriving. This will ensure that the driver knows that you would like to board.

At night, wave a lighted or reflective device (phones work well) so our drivers can see you.

Let passengers exit before boarding.

Tell your driver your destination.

Yield seats to seniors and passengers with disabilities.

Stand behind the yellow line and don't block the doors.

No smoking, food, drinks, weapons, offensive language or loud music is permitted.

Don't disturb others with your cell phone conversations.

Pull the cord or tell your driver, "Next stop please," before your stop.

Allow the shuttle to pass before crossing the street or walk behind the shuttle.
